“ Ordinary People with Extraordinary Dreams”

## **OVERVIEW:**

**MTI** (Ministers Training Institute) was founded in 1978 by Dr. Jim Clark with a vision of practical ministerial training. We have been doing this successfully for over 30 years. Hundreds of pastors and missionaries from all over the United States and other countries have been trained and equipped through MTI.

After graduating from MTI in 1991, Donnie & Sue Shaffer moved to Brazil and started an MTI training school working with Project Amazon. Hundreds of Brazilians were trained and equipped to fulfill their respective ministerial callings. Today's MTI classes are solidly grounded in the decades of ministerial experience of its founder, Dr. Jim Clark, along with the missions background of Pastor Donnie Shaffer. Pastor Donnie now serves as Senior Pastor of Central Church and President of MTI Bible College, continuing on with the tradition of training and equipping leaders, with a focus on Five-fold Ministry. MTI has been doing this now for over 40 years and has alumni ministering all over the world.

MTI Bible College is a member of the Vision International Education Network and affiliated with International College of Ministry through which an MTI student may pursue an accredited Bachelors, Masters or Doctoral degrees.

We believe we have some of the most exciting and visionary ministerial training available today. Every year we long to see “Ordinary People fulfill Extraordinary Dreams.”
